Naramata Bench wine country is a *must visit destination* for wine connoisseurs and those seeking vistas of unparalleled beauty. We look forward to welcoming you to the unique warmth of the Naramata Bench.

The Naramata Bench is a place of great beauty and personality. Over 37 wineries have staked their claims to this prime agricultural land. Some are situated on the picturesque rolling hillsides of the Naramata Bench, while others are perched at the edge of cliffs that fall perilously towards Okanagan Lake, a remarkable setting, perhaps the most scenic wine region in all of North America.

With beauty comes quality as well. Long established as Canada’s premier grape growing region, the wines of Naramata Bench share a fine pedigree of superb craftsmanship and heritage. Our knowledgeable wine guides will create an exciting itinerary on your behalf with representative wineries from the region.

A vineyard lunch stop is included and guests are invited to choose from a selection of tasty menu items at their own expense.
